IT'S TIME TO BE UNLEASHED

MEET THE EXECUTIVE DIRECTOR

Joy Chickonoski has a passion to draw the body of Christ into a more intimate relationship with its Bridegroom, King Jesus. Joy's heart for setting the captives free led to the launching of UnLeashed Healing Center.

Holy Spirit has taught Joy a prayerful ministry approach designed to help people encounter God and receive emotional and spiritual healing. This approach, called UnReeling, based on Romans 12:2, is the foundation of the services offered at UnLeashed Healing Center.

In addition to serving as Executive Director of the Healing Center, Joy, with her husband Perry, are the founders and leaders of Real Living Ministries. She has also authored a book entitled, "*Becoming Lovers: The Journey from Disciple of Christ to Bride of Christ.*"

FREEDOM AWAITS

At the UnLeashed Healing Center, we facilitate a unique approach to spiritual and inner healing. As we partner with Holy Spirit in using Biblical principles, you will receive a fresh look at life and peace for the days ahead.

"Thank you for being an obedient vessel of the Father's gracious heart toward me, and for providing a safe place for me to experience the freedom and blessing that are my birthright and rightful inheritance!"

"It has been over 2 weeks since my UnReeling session. I didn't know what to expect, but it was and continues to be a meaningful experience. Holy Spirit's revelation to me was not only revelatory then, but continues to be unfolding. I often go back to that experience to adjust my position for clarity, strength and peace. You were right on and in the flow of what God wanted to speak to me. God is so good! Thanks for your obedience and impact in setting those in His body free and the advancing of His Kingdom."

"...HE HAS SENT ME TO BIND UP THE BROKENHEARTED, TO PROCLAIM FREEDOM TO THE CAPTIVES, AND RELEASE THOSE IN DARKNESS..." *ISAIAH 61*
